For ages 7 to adult

The Trafalgar Way is Britain's first national historic carriage route, and it tells an epic story! It traces the 271-mile journey taken by the messenger after The Battle of Trafalgar in 1805, travelling overland from Falmouth to London in a relay of horses and carriages following the highways of the day.

Now it's your turn to discover The Trafalgar Way and explore the countryside, villages and urban landscapes which give it its character. Choose a location on or close to the route and pick an eye-catching scene or feature. Then send us a stunning photograph or create a painting, sketch or other two-dimensional artwork to showcase your chosen location in a *Postcard from The Trafalgar Way*. You could win £1000!

**The closing date for entries is 16<sup>th</sup> April 2021**

**So start exploring and get creating!**
